

HACKERRANK INNOVATORS

HackerRank

+

MiQ

MiQ is a programmatic media partner that helps agencies and marketers solve business challenges by doing interesting things with data. They have offices in North America, Europe and APAC.

Sowmya Vijay

Head of Talent Acquisition
India

“

HackerRank has helped MiQ set up a structured hiring process and standardize it. When it comes to early talent hiring, HackerRank has scaled our efficiency metrics by **over 50%**.

Prabhu Prakash Ganesh

Global Chief Technology Officer

“

HackerRank helped bring down our Time to Hire substantially while providing a great candidate experience that reflects well on MiQ's tech brand.

HackerRank's one-click API integration is incredibly useful as it helps integrate with our GreenHouse ATS to give us complete visibility into our candidate's journey map.
