

Matching Start & End

^

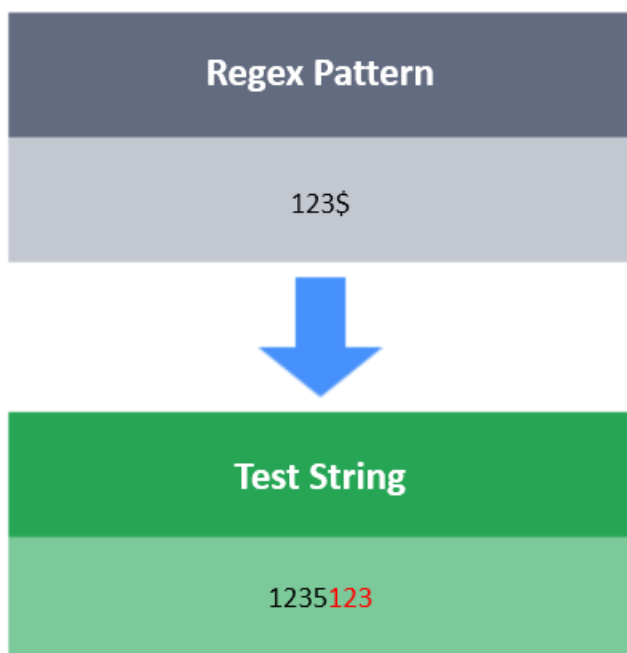

The ^ symbol matches the position at the start of a string.

In the above image, the Regex Pattern is matched with the Test String.

\$

The \$ symbol matches the position at the end of a string.

In the above image, the Regex Pattern is matched with the Test String.

Task

You have a test string *S*. Your task is to match the pattern ***Xxxxx***.

Here, *x* denotes a word character, and ***X*** denotes a digit.

S must start with a digit ***X*** and end with `.` symbol.

S should be **6** characters long only.

Note

This is a regex only challenge. You are not required to write code.

You have to fill the regex pattern in the blank ().
